About Brandon Li

Brandon is a finance and accounting specialist with more than 20 years of experience. He started his career as an auditor with the Big 4, where he assisted and led audit engagements in a wide range of industries including consumer products, financial services and biotechnology. Brandon then went on to The Walt Disney Company's Transaction Support team, where he was responsible for providing expertise in M&A transactions, due diligence, divestiture, technical accounting and restructuring to Disney and all of its subsidiaries. After The Walt Disney Company, Brandon led year-end audits, month-end close and financial reporting in the retail apparel industry at levels of Senior Manager and then Director. Brandon joined 8020 in 2016, and has worked as consultant in the apparel, banking, biotechnology, FinTech and real estate industries serving in position of controller, director, and vice president of SEC Financial Reporting. Brandon is a CPA and holds a B.S. in accounting with a minor in economics from the University of Massachusetts Amherst.
