JENNIFER WILLIAMS

Business Operations Manager

About Jennifer Williams

Jennifer is a Southern California native and holds a bachelor's degree in Family and Consumer Sciences from California State University, Northridge. While in school, she served as an officer for her club, a student intern for the dietetic center, and a writer for the VA dietetic newsletter. Jennifer has previously worked in dietary administration for more than four years in a regionally top-ranked hospital. She also spent time working as an Executive Assistant in the entertainment industry.
